CMC Grant to Boulder Climbing Community

This summer, the Front Range Climbing Stewards/BCC will be spending time on the Third Flatiron Trail using money from the Boulder group's grant. If you would like to volunteer to help repair and enhance the trail, check out the [BCC's website](#).

Calling all long-time members!

Compass editor Sarah Nelson is working on a project to retell the story of the CMC glory days: when Boulder group membership was at an all-time high and the mailings had to be sent to hundreds of members via the Post Office.

Were you a member during this time? Do you have fun stories to tell or photos to share? Do you want to be featured in upcoming editions of the Compass and on our blog?

If you do (or know someone who does), please [email Sarah](#).

Volunteers wanted

Looking for a volunteer to help with archiving about a dozen guest books from the CMC Boulder group's historic Arestua Hut on Guinn Mountain dating back to the 80s. The entries range from accounts of visits to intricate artwork. We would like to scan the entries for archiving and also to make them available (as PDFs) on the hut website. For more information please contact [David Miller](#).
